St. Luke's McCall Fiscal Year 2027 Funding Request

To: McCall Memorial Hospital District Board of Trustees

Pursuant to the Healthcare Services Agreement entered into on February 5, 2016, between St. Luke's McCall and the McCall Memorial Hospital District (the District), St. Luke's may, no more often than annually, request that the District fund access to certain healthcare services to be provided by St. Luke's McCall under the Healthcare Services Agreement. This year, St. Luke's submits this memorandum in support of the District's plans to levy funds to the sinking fund. This 2027 Funding Request does not request that any funds be paid to St. Luke's McCall, and we understand that under the District's planned budget for FY27, no funds are currently allocated be paid to St. Luke's.

Next steps
St. Luke's McCall respectfully supports the District's levy of funds for the sinking fund.
